To: All citizens of Elizabeth

“Spring Cleaning Blitz”

From: Mayor Green

Date: 3-13-2020

To All citizens of Elizabeth, La,

The Village of Elizabeth would like to announce a “Spring Cleaning Blitz” to help clean and beautify our beloved community. We are challenging you to beat us to the “Blitz” by voluntarily cleaning up your property. Help from all parts of our community is needed to achieve our goals which are:

- 1: Animals properly cared for and housed in proper pens, not running loose or tethered because of the great number of dogs running at large.
- 2: Front porches and yards are to be cleaned and free of used appliances, furniture, trash and other debris.
- 3: Junk vehicles are to be removed as well as other types of scrap material and debris.
- 4: Grass mowed, and properties well maintained including the appearance of the back alleys.

It is our hope that you will take pride in your neighborhood and do your part. **If a photo of your property is attached to this letter, please consider this a WARNING to immediately get listed property under compliance or further action will be taken by code enforcement.**

If a photo is **not** attached to this letter let's put a “Blitz” on Trash and “Sack it Up.” We have put a dumpster behind the Elizabeth Fire Station for your convenience. Once it is full **DO NOT** add anymore trash because the trash company will refuse to pick it up.

Thank you for your cooperation,

Mayor Mandy Green

By law of Ordinance you have 10 consecutive days after the date of a certified received letter to get property in compliance with the Village Ordinances. If not done so according, within 10 days, the Village will be authorized to charge \$100.00/hour plus equipment charge to get attached property under compliance. The cost accumulated will be the responsibility of the property owner. If not paid within one month, the total cost will be applied to property taxes with additional fees. **To view full ordinance, go to villageofelizabeth.com, click government, Ordinances 12-18 Property Maintenance.**
